page the had so laboured the matter, in a manner ty ical of Galbida and AlBo Matt. that its potential value had been destroyed and that even the man in the street doubted its veracity.

3. Memorandia of 20.7.45. - DUGLAS.

The Ant VI "agent" in Sweden, D.UG.AD, was Graf Loughau, of German nationality, a chromoth officer, aged about 35, Christian name introver. He was active intermittently in oveden between 1959 and 1755, occupying at one time a cover position in the office of the Military Attache. A manher of an aristocratic German family, he had extensive family connections in twenter and was able to supply valuable information from Excellent military and court circles.

Another Count DU GLAS (Christian memos unknown to LONG. NURC), a condition diplomat, later posted to Spain, was an informer of intellig

mendation of Pri SCHIMO, his secretary. COERING, though married, was hoping to be diversed from his wife and to marry EMIEME was about forty years of age and had previously worked in ant IV.

was to look after important guests, such as MUSY, in the ville in which he lived. SHE AFFERD did, however, exploit his former contact with Aut IV to facilitate liaison on occasion, and his friendship with BASINEKI, a hotel owner, with a view to using the hotel business for purposes of the Geheimsmeldedienst.
